

Illicit Drug Consumption Policy

Objective

The objective of this policy is to provide a clear and reasonable direction to members and patrons regarding the smoking or consumption of illicit drugs within the premises at any time.

This policy is intended to enforce the family friendly intent of the Club.

Scope

This policy applies to members and patrons.

Procedure

The consumption of illicit drugs is not permitted within the Club's premises (including the area within the fenced perimeter or car park in front of the Club's main entrance adjacent to the *Village Green* fenceline).

The Manager and/or Bar Attendant on duty will enforce this policy and ask patrons to leave the premises if they are observed consuming illicit drugs or a complaint is received from another patron.

Breach of Policy

Failure to obey a direction by the Manager/Bar Attendant on duty to move off the premises will be recorded in the Incident Register and can incur disciplinary action.
